

Questions for Lesson 11
The Identification Truths

**We were resurrected with Christ as part of God's new creation man.
Christ's new creation - resurrection life is now our life.**

Read: Romans 6:4-10

1. From a worldly viewpoint, what does burial prove has taken place?
2. What is God's object or aim in our being identified in Christ's burial?
3. What does verse 4 tells us it took to raise Christ from the dead?
4. Can you describe what "newness of life" is and means?
5. Is there a difference between the resurrection of Christ to newness of life and the "coming forth" of Lazarus from the grave? Explain
6. If we were baptized into Christ's death, what involvement do we have with Him when He is raised to "newness of life".
7. What is our identity with the sin nature and the whole sphere of the 1st Adam life now?
8. In verse 4 the King James says we "should walk in newness of life." The word walk means to "grow together". What do you think is the source and energy of this walk?
9. In verse 6 "knowing" can mean "coming to know", how do we come to know facts like these?
10. Describe what your old man is?
11. Does the old man being crucified mean that he is obliterated, eradicated, and gone forever?
12. Have you counted yourself so incorrigibly bad that being crucified is the only proper remedy for your old man?
13. Why wouldn't dying to yourself be appropriate in light of this verse?
